REMARKS:

Applicant's specification and claims were amended to correct a typographical error concerning the upper amount of Te usable in the presently claimed invention. Support for the amendment is supported elsewhere in applicant's specification. See, for example, the last paragraph on page 8 of the specification. In addition, applicant's claims were amended to remove multiple dependent claims and to remove brackets from the claims "[ ]". Early consideration and allowance of claims 9-28 are respectfully requested.

In the event any additional fees are due in connection with the filing of this application, it is respectfully requested that such fees be charged to our deposit account No. 22-0256.

Respectfully submitted,
VARNDELL & VARNDELL, PLLC
